Canada 

Ottawa, Ontario, is a vibrant and diverse city located in eastern Canada. It is important to acknowledge that Ottawa sits on the traditional, unceded territory of the Algonquin Anishinabe Nation. Ottawa's commitment to reconciliation includes actively engaging with Indigenous communities and integrating Indigenous perspectives into various aspects of city life.

When it comes to sports, Ottawa has a strong association with football. The city is home to the Ottawa Redblacks. The Redblacks, founded in 2014, play their home games at TD Place Stadium.

Beyond football, Ottawa embraces a wide range of sports and recreational activities. The city boasts an extensive network of parks, trails, and bike paths that provide ample opportunities for outdoor enthusiasts. Ottawa also hosts several major sporting events, including the Ottawa Marathon, the Canadian Tire National Skating Championships, and the Canadian Pacific Women's Open Golf Tournament.

We are the Provincial Sport Organization in charge of all amateur football in Ontario, recognized by the Ministry of Tourism, Culture and Sport

Our primary objective is the development of athletes, coaches, and officials. We ensure that all athletes operate in a safe and effective manner, and follow national standards when developing and offering football, high-quality programs to our members, certified coaches and officials.

We offer football programs for people of all ages and abilities at all levels of competition. While providing an enjoyable experience while benefiting from football participation.

JULY 23 – 30, 2023

*Greetings from the Honourable Neil Lumsden
Minister of Tourism, Culture and Sport*

Welcome to the 2023 Women's U18 National Tackle Championship.

This event provides an opportunity for some of the best female football players from across Canada to exhibit their skills and abilities while competing on provincial teams for the national championship.

Participation in sport contributes to better health and overall well-being, provides youth with role models to look to and encourage their pursuit of personal excellence, instils an appreciation for the values of hard work, teamwork and fair-play, and encourages a lifelong commitment to active living. We are proud to support the National Tackle Championship through the Ontario Sport Hosting Program.

Thank you to Football Ontario, Football Canada, NFL Canada, the Ottawa Sports and Entertainment Group, City of Ottawa and the sponsors and many dedicated volunteers for making this event a success.

Best regards,

The Honourable Neil Lumsden
Minister of Tourism, Culture and Sport

DU 23

AU 30 JUILLET 2023

*Mot de bienvenue de l'honorable Neil Lumsden,
Ministre du Tourisme, de la Culture et du Sport*

Bienvenue à l'édition 2023 du Championnat féminin MU18 avec contacts.

Cet événement d'envergure nationale donne l'occasion à quelques-unes des meilleures joueuses de football de partout au Canada de faire valoir leurs habiletés et leurs capacités dans des équipes provinciales concourant pour remporter le championnat national.

En plus d'offrir aux jeunes des modèles à suivre, de les encourager dans la poursuite de l'excellence personnelle et de leur inculquer les valeurs de l'effort, de l'esprit d'équipe et du franc-jeu, la participation au sport contribue à l'amélioration de la santé et du bien-être général, et incite à s'engager sur la voie d'une vie active. Nous appuyons avec fierté ce championnat national de football avec contacts grâce au Programme ontarien d'accueil d'événements sportifs.

Nous remercions Football Ontario, Football Canada, la NFL Canada, l'Ottawa Sports and Entertainment Group, la Ville d'Ottawa ainsi que les commanditaires et les nombreux bénévoles dévoués grâce auxquels cet événement est couronné de succès.

Cordialement,

L'honorable Neil Lumsden,
Ministre du Tourisme, de la Culture et du Sport

Dear Athletes, Coaches, Parents, and Esteemed Guests,

As we gather here in Ottawa, I would like to begin by acknowledging that we are on the traditional territory of the Algonquin Anishinaabe people. This acknowledgment recognizes their historical connection to this land and affirms our shared commitment to honour and respect it in our sporting endeavours.

Welcome to the second edition of the U18 Female Tackle Football Championship. As the President of Football Canada, I am delighted to see the incredible gathering of provincial teams, each bringing a wealth of talent, spirit, and passion for the game of football.

This year, we are witnessing a groundbreaking achievement in Canadian sports, with the participation of the first all-Indigenous team in a national championship. Led by Chairperson Kevin Hart of Manitoba and his dedicated leadership group from Indigenous Football Canada, this team signifies a pivotal moment in the history of Canadian football.

We at Football Canada extend our most profound admiration for their commitment to broadening the horizons of the game we all love. In the spirit of Reconciliation, we look forward to supporting Indigenous Football Canada as they continue to field more teams and create more significant opportunities for Indigenous youth to thrive in the sport.

May this tournament be a beacon of unity, inclusivity, and mutual respect as we come together to celebrate our shared love for football. We anticipate a tournament filled with excellent competition, sportsmanship, and growth, both on and off the field.

To all the athletes participating, know that this platform is a testament to your hard work, perseverance, and dedication to the sport. May you continue to inspire and make us all proud with your performances.

Finally, we extend our best wishes to all the teams. Enjoy every moment, make unforgettable memories, and remember, regardless of the outcome, you are all champions for making it this far.

Welcome to the second U18 Female Tackle Football Championship. Here's to an unforgettable tournament!

Yours in Football,

Jim Mullin,
President, Football Canada,
General Secretary, IFAF

QUALITY TRAINING MATTERS.

Trusted by 70,000+ coaches and athletes, Volt's intelligent strength training system delivers sport-specific, individualized training to athletes and teams.

Optimized to Your Team

Volt's intelligent technology builds a training plan that is optimized to your team's unique calendar. Each training session builds on the last, carefully progressing your athletes to peak performance by the start of your season.

Customizable to Your Needs

While Volt gives your team a structured training plan optimized for performance, you can modify any workout to fit the needs of your athletes and training environment.

Personalized to Each Athlete

Volt tells each athlete exactly what to do in every workout, down to how much weight to lift each set. Volt then logs each workout and adapts their future training, so your athletes never stop seeing results.
