The Board of Directors of the organization will consist of the following:

- a) Chair - elected in at AGM for a 3-year term
- b) A minimum of 3 Directors at large - elected in at the Annual General Meeting for a 2-year term

Meetings

The Board is obligated to meet at least two times per year; however, traditionally there are two face to face meeting per year, and one monthly teleconference meeting on the basis of the fiscal year running from January 1st to December 31st. Depending on the circumstances, these meetings usually occur in January; in June/July (prior to and in conjunction with the Annual General Meeting - AGM). The date of the AGM is determined by the timing of that event, while other meetings are determined by the board at the previous meeting.

The AGM represents the last meeting of the current board, and the February meeting welcomes new Directors and deals with any issues coming out of the AGM.

In addition to the identified meetings, circumstances may dictate the need for conference calls for specific issues. These conference calls are arranged by the Football Ontario office and the timing is determined by the availability of the directors. A quorum is a simple majority of the number of directors holding office.
